## George-Yeelon Lin

"During the three months that I've been here at Atlas, I've noticed a huge improvement in my English! Now I'm able to read books in English, go to the movies, and actually understand what the characters are saying... and it's all thanks to Atlas Language School Malta!"

## Omer Ozunoglu

"Education, accommodation, social events...Everything is pleasant at Atlas. School always offers us new experiences, such as social activities, conversation classes, and so on. For instance, I am trying to join all of them to improve my English."

## Camila Sanhueza

"Atlas it's like a family! The Atlas staff and teachers are lovely and being friends with the interns is great fun. The environment at Atlas is simply special, people are friendly and helpful and even silly questions are not turned down but openly welcomed!"

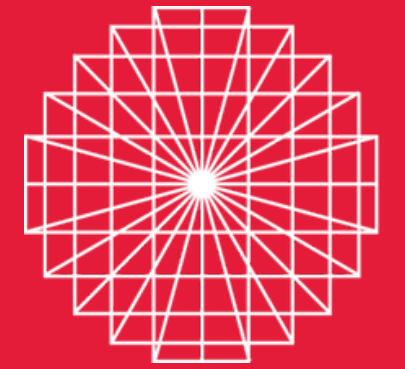

## Jair de Risso

"Atlas is wonderful! It's nice to have friends from so many different countries. The academic part is also great: I study in the morning and in the afternoon I can join all the different activities. I'm very thankful to Atlas, studying here has opened up a whole new world for me."

# Course Options

## ENGLISH FLUENCY & ACTIVITY

### Culture and Communication

DUBLIN CLARE MALTA

Our intensive language and culture courses focus on **developing students' confidence and ability to speak and engage in conversation with friends** and peers **about teenage life, as well as the traditions and cultures** of various English-speaking countries. The Improvers course is aimed at students on their A2/B1 (i.e., lower intermediate) journey, while the Flyers course is aimed at students who are more independent and are on the B1/B2+ journey.

### Exam Courses

DUBLIN CLARE MALTA

Our intensive short courses develop the language and the skills students need to **succeed in the Cambridge, IELTS and TOEIC examinations**, as well as in everyday social interactions.

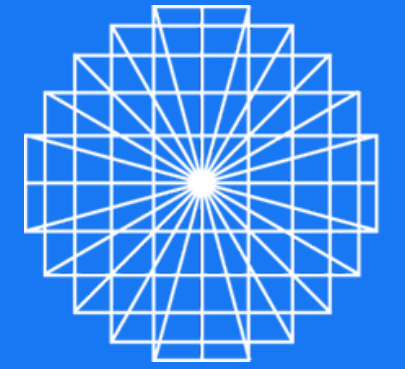

### Cambridge IGCSE

DUBLIN

This course is designed for A2/B1-level students with some English proficiency, often non-native speakers who study subjects like history, geography, or science in English. It focuses on enhancing language skills and **preparing students for the Cambridge IGCSE (ESL) exam.**

# Course Options

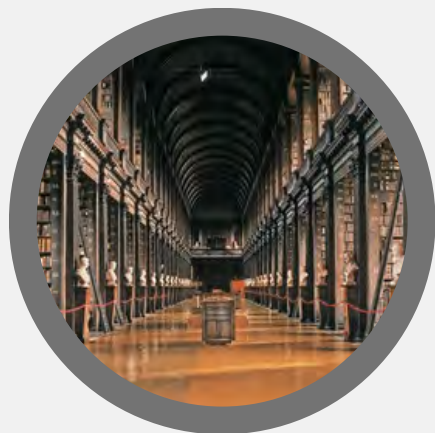

## WORK & LEARN

### The Environment & Sustainability

**DUBLIN** **CLARE** **MALTA**

This mini-intensive course enhances students' English language and critical thinking skills for discussing topics like fast fashion, smart cities, and sustainable travel. We connect classroom learning with real-world language experiences.

### Art & Culture **DUBLIN** **MALTA**

This intensive course enhances students' language and skills to appreciate some of the English language's renowned literary figures, while also exploring local music, culture and examples of art that are on display locally.

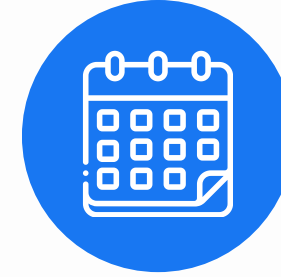

### Preparation for Work and Future Skills **DUBLIN** **CLARE** **MALTA**

This intensive course equips students with language and skills for professional work or study in the EU and beyond, offering engaging materials, collaborative learning around themes such as Culture, Finance, Digital Literacy etc.

### Food & Agriculture **CLARE**

This mini-intensive course improves language skills for discussing modern agriculture and food production in Ireland and the EU, with a focus on farming methods, food production, globalisation, and food waste.
