

Erasmus+ Teacher Training Courses

At Atlas we offer a range of Teacher Training Courses which are eligible for Erasmus+ funding under Key Action 1 (KA1). All our courses are designed for practising primary and secondary teachers who wish to improve their skills, enhance their employability and gain cultural knowledge and awareness.

WHAT IS ERASMUS+?

Erasmus+ is the EU's programme to support education, training, youth and sport in Europe. As successor to Comenius, Grundtvig and Erasmus, Erasmus+ has taken over the funding of training for teachers in other European countries.

Full participation in the programme is open to all EU Member States as well as five non-EU Member States (North Macedonia, Iceland, Norway, Liechtenstein, Turkey).

You can find further information about Erasmus+ and the application at the National Agency here: <https://ec.europa.eu/programmes/erasmus-plus/>

(or by arrangement for closed groups)

COURSE DURATION: 2 WEEKS

MINIMUM ENGLISH LEVEL: B2

After a year in which many teachers have been thrown in at the technology 'deep-end', this updated course allows practising teachers to draw breath and reflect on their experiences of using tech to teach English. We look at how we have been using various tools to teach during this past year, and what we can do to use them even more effectively. While we will still use a blend of presentation and demonstration of practical activities, throughout this course we will be working towards developing some shared principles for using (and not using) tech in the future.

The General English Fluency course (GE20) with 20 tuition hours per week and the General English Fluency Plus course (GE26) with 26 tuition hours per week are language rich courses that help teachers upgrade their level of English for every day communication. Our teaching is based on a communicative approach, which means students always focus on effective real-life communication, exchanging ideas, opinions and experiences. Each day there are two lessons:

- **Lesson A:** 9.00am to 10.40am
