SUMMER PROGRAMMES

A MESSAGE FROM OUR DIRECTOR

I am delighted to announce that our full suite of Atlas Junior programmes will return in 2022. Alongside our two existing programmes in Dublin and Chichester, we have now added Atlas Malta Junior.

At Atlas Junior we pride ourselves on the quality of our programmes. Our goal is to ensure that every student is taken care of from the moment they step off the plane until it's time for them to say goodbye and go home. We are dedicated to providing the highest level of service in every aspect of our young learners' time with us - from their language classes and activity programmes to their accommodation, transport and student welfare.

For me, our Atlas Junior programmes are a life learning experience, providing an opportunity for our young learners to meet people from around the world and have experiences that will not just help improve their English but also develop their character and allow them to become more independent. It has been very rewarding watching our junior students grow and develop each summer and we look forward to welcoming back many of them again next year!

Atlas Junior Dublin is our flagship destination, a homestay programme that has been running for 15 years. We have an action-packed timetable and a diverse nationality mix with students from over 20 different nations studying on the programme.

Atlas Junior Chichester is just an hour from London Gatwick and located on the sunny south coast of England. Surrounded by beautiful countryside, sandy beaches, fishing villages and historical attractions, Chichester is the perfect location for students to experience a traditional English city and also get to see some of the UK's most famous destinations like Brighton, Oxford and London.

Atlas Junior Malta is our newest junior programme. Opened in 2021, with hotel accommodation close to the school, the programme is a great way for young learners to get to see the island and experience the delights that Malta has to offer!

Atlas Junior is delighted to announce two new junior programmes in the North of Italy. We are collaborating with Champions' Camp who have more than 15 years experience running activity camps all over Italy.

We look forward to welcoming you to our Atlas Junior programmes in 2022!

ATLAS JUNIOR SOCIAL PROGRAMME

We believe that in order to get the most from our programmes, students should be exposed to English not just in the classroom but in a variety of environments and contexts. That's why our social and cultural programme is so important to us and why we spend so much time and energy making sure that it is as vibrant and interesting as possible.

Our fully supervised social and cultural programme is designed to provide students with more opportunities to use their English outside the classroom. The activities and excursions are integrated with learning in the classroom so that students can get the most out of the cultural visits.

TESTIMONIALS

TESTIMONIAL STUDENTS

It's the first time I have travelled to Ireland and taken part in the Atlas Junior Programme. It's so much fun and I'm looking forward to coming back as soon as possible. I love the English classes, trips to Dublin and all the other activities, because you make contact with a lot of people from different countries and cultures, and have so much fun. You don't even realise that you are improving your English skills!

[Lisa Marie Vogelgesang, Germany](#)

I've studied at Atlas two different times. I think that it is a very beautiful and interesting experience because you can meet a lot of people from different places and countries. The teachers are very funny and friendly, and the lessons are really fun too.

[Giulia Scoppa, Italy](#)

[Hibiki Yamada, Japan](#)

The three weeks I have spent at Atlas Language School have been fabulous! I've had loads of fun! The classes have been really dynamic and I've learnt a lot of new vocabulary. The teachers don't let us get bored.

I've participated in a number of different activities throughout my stay and all of them have been fantastic. I'm looking forward to coming next year.

[Maria Dominguez Gomez, Spain](#)

This is the first time I have been to Atlas Junior Programme and I have fallen in love with it. Everyone here is outstanding in a positive way. The teachers are some of the most creative and charismatic people I've met in my life and my host family is really friendly. The best two weeks of my summer!

TESTIMONIAL AGENTS

Each year we send many junior groups to countries and cities all around the world. I can honestly say that the Atlas are one of the very best schools we have ever worked with. The staff are incredibly professional and a pleasure to deal with while the academic programme, standard of accommodation and level of service is of the very highest quality. We have sent juniors to Atlas for over 10 years and during that time they have become one of our biggest partners - I really can't recommend them enough!

[Oscar Porras, Middleton, Spain](#)

I have been sending groups to Atlas for several years and the feedback I receive, both from students and group leaders, is always fantastic. The quality of teaching is outstanding and the social activities are fun and engaging.

Another point of excellence of this programme is the accommodation: Atlas host families are experienced and welcoming and they really make the students feel at home.

Moreover the staff is always professional, friendly and ready to help.

I'm looking forward to sending more groups to Atlas Junior Dublin!

[Barbara Santuz, Destinazione Lingue, Italy](#)

We stayed in Atlas for a fortnight last July. It was our third stay and I must say that everything was perfect. The host families are very caring and adaptable to our various schedules.

The classes are based on different activities which encourage students to talk, which is the skill that causes the most problems in their school at home. The teachers are kind and willing to help, even the weakest students - nobody's left out in the group.

I can't wait to go back to Atlas next summer with a group (some of the students who have come this year want to come again next year, so it's a good sign and the best publicity you can get!) I would highly recommend Atlas for junior students who want to improve their English having fun!

[Sylvie BOGAS, English teacher and Manager of Easy English, France](#)

We have had a successful partnership with Atlas for over 10 years and have had only happy and satisfied students. Atlas always tries to accommodate all needs and requirements of the

students and they have extremely friendly and helpful host families. The students always mention the fantastic social programme activities and excursions!
