

# Erasmus+ Teacher Training

Atlas Language School has designed and organised courses and training programmes for teachers and educational institutions for over ten years since our first group of teachers from Slovenia in 2011.

We offer a **variety of engaging and impactful Erasmus+ teacher development courses** for primary and secondary school teachers, and for academics and professionals working in Higher Education.

You can participate in these courses as part of a group or on a private basis. Our organisation ID is E10128627 and all our courses are included in the new School Education Gateway catalogue.

*Our mission is to make every day of your language travel programme an unforgettable life and learning experience!*

# Why Atlas Language School?

We are an **approved training centre** for the ACELS / QQI Certificate in English Language Teaching (CELT). All our courses are **eligible for 100%** Erasmus Plus Key Action 1 (KA1) funding.

We have a team of **Masters and DELTA-qualified, experienced and expert teacher trainers** with a wealth of ideas to share. We offer a number of core courses, but all training courses are **tailored to the specific needs** of the sending institutions and participants.

Authorised Exam Centre

**Choose a school you can trust!**

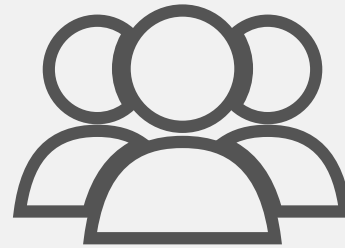

## Location

Atlas Language School is located in a landmark building right on the Grand Canal in Portobello, Dublin 2. Our south central city location is on plenty of bus routes and is near to Charlemont LUAS stop. Within a few minutes walk of the school there's a variety of cafes and eateries in Rathmines and Portobello. A great location to chill and relax at lunchtime and after school hours, as well as celebrate at the end of the course!

# FEATURES OF OUR ERASMUS+ TRAINING

Vast selection of Teacher Training Courses which are eligible to be 100% funded by the Erasmus plus key action 1 (KA1 learning mobility of individuals).

Courses designed for practising primary and secondary teachers as well as other school, university and adult education staff.

An expert team of DELTA-qualified, experienced and motivated ELT teacher trainers

Courses designed in tandem with participants to ensure your chosen course meets the development objectives of the individual participants and your Erasmus+ project.

A range of afternoon activities where participants will be encouraged to develop language skills in a more informal environment outside the classroom.

Accommodation options, from half-board homestay to self-catering residential accommodation.

# COURSE OPTIONS

## Erasmus+ General English Language Training

The General English Fluency course (GE26 with 26 tuition hours per week) are language rich courses that help teachers upgrade their level of English for every day communication.

## Language, Methodology and Culture

This course is for school teachers who want to refresh and upgrade their teaching practice, while also upgrading their language skills and gaining a better understanding of contemporary Irish life and culture.

## English for Higher Education Professionals

This course is for academics and university administrators who need English to interact effectively with students and colleagues. It helps participants express themselves more confidently in English in international HE settings.

## Sustainability & Environment in Education

The Sustainability and Environment in Education course is for school teachers who want to refresh and upgrade their teaching practice in order to better integrate student thinking about sustainability and the environment into classroom practice.

# LANGUAGE, METHODOLOGY AND CULTURE

This Language, Methodology and Culture course is an intensive professional training course for primary and secondary school teachers who want to participate in a variety of innovative teaching methodology workshops to refresh their teaching practice, while also upgrading their language skills and gaining a better understanding of contemporary Irish life and culture.

## Course Aims

- To promote and facilitate a practical critical engagement with new ideas and recent pedagogical developments in teaching.
- To provide an opportunity to develop participants' own language skills.
- To promote awareness of Irish literature, culture and society through topical, collaborative lessons.
- To establish contacts between teachers from a variety of European education systems and facilitate future networking.
