HIGH SCHOOL PROGRAMMES IN IRELAND

High School Programmes in Ireland are a life learning experience that give young students the opportunity to challenge themselves both personally and academically.

Studying in an Irish high school provides international students with the most effective way of improving their English while also experiencing the unique lifestyle and culture of a country that is famous for its natural beauty, friendly atmosphere and strong educational values.

The Irish education system is internationally recognised and respected as one of the best in the world. Our partner schools offer a wide range of subject choices that will help students develop an awareness of their academic and professional passions. What's more, our schools have strong cultures that are vital in developing students' character, independence and life skills.

DUBLIN

Dublin, the capital of Ireland, is a bustling metropolis that seamlessly blends historic charm with modern innovation. Known for its friendly atmosphere and cultural vibrancy, Dublin offers a rich tapestry of experiences, from its historic landmarks and literary heritage to its thriving tech and business sectors. This dynamic city provides an inspiring backdrop for education, ensuring students not only receive top-notch academics but also grow within a culturally enriched environment.

Schools in Dublin offer:

- Academic excellence: Broad curriculum with a focus on core subjects and electives.
- Extracurricular activities: Wide range of sports, arts, and cultural activities.
- Cultural exposure: Access to Dublin's museums, theaters, and historical sites.
- International Environment: Diverse student body with international programmes.
- Technology integration: Modern facilities and digital learning platforms.

WEST OF IRELAND

The West of Ireland, encompassing the schools in Counties Limerick, Galway, and Clare, is known for its breathtaking landscapes, rich traditions, and welcoming communities. This region provides a serene and inspiring setting for education, offering an environment that fosters personal growth and a strong sense of community.

Schools in this region provide:

- Stunning landscapes: From the rugged coastline of the Wild Atlantic Way to the serene beauty of Connemara, the West of Ireland offers a picturesque environment that stimulates creativity and tranquility.
- Traditional Irish heritage: Immerse in vibrant local traditions, including music, dance, and festivals that highlight the region's cultural heritage.
- Close-knit communities: Schools here foster a strong sense of belonging, encouraging students to build lasting relationships and develop a robust support network.
- Innovative programmes: Emphasis on balanced education with strong academic curricula complemented by arts, sports, and outdoor activities.

THE IRISH EDUCATION SYSTEM

Secondary school education in Ireland consists of a three-year Junior Cycle, followed by a two or three-year Senior Cycle, depending on whether the optional Transition Year is taken.

THE JUNIOR CYCLE (YEARS 1, 2 AND 3 FOR STUDENTS AGED 12-15)

Students begin secondary school at age 12 in Year 1. Over these three years, the main objective is for students to complete a broad and balanced curriculum, that includes humanities, languages, science and technology, music and arts, numeracy and literacy, along with electives. They sit a state examination in Third Year called the Junior Cycle Student Award before they proceed to the Senior Cycle.

JUNIOR CYCLE	
Age 12 - 13	1st year
Age 13 - 14	2nd year
Age 14 - 15	3rd year

THE SENIOR CYCLE (YEARS 4, 5 AND 6 FOR STUDENTS AGED 15-18)

The first year of the Senior Cycle is optional and it is called Transition Year (TY). TY provides an opportunity for students to experience a wide range of educational inputs, including work experience, over the course of a year that is free from formal examinations.

In Year 5 and 6, students prepare for the final secondary school and university entrance examination called the Leaving Certificate. Students study the core subjects of English, Irish and Maths and choose an additional 3-5 elective subjects from a breadth of 30 subjects. Irish is not compulsory for overseas students provided their primary education up to 11 years of age was received outside Ireland.

SENIOR CYCLE	
Age 15 - 16	4th year
Age 16 - 17	5th year
Age 17 - 18	6th year

ACADEMIC YEAR

The standard academic year begins in September, finishes in June and consists of three terms: Sept – Dec; Jan – April and April – June. We can place a student in any of the years 1-6 and termly placements can also be negotiated.

ACADEMIC YEAR	
Term 1	September - December
Term 2	January - April
Term 3	April - June

FREQUENTLY ASKED QUESTIONS

Is there a minimum level of English that students applying for the high school programme should have?

Junior cycle (years 1-3/ ages 12-15)

Pre-Intermediate (A2) level is accepted but additional support is recommended. We would also advise an intensive course before students start their High School Programmes.

Senior cycle (years 4-6 / ages 15-18) For entrance into 4th year in the Senior Cycle, we recommend an intermediate level of English (B1). For the 5th or 6th year students should at least have an upper intermediate level of English (B2) as the studies are more demanding at these stages. Some schools require an Advanced (C1) level of English for 5th and 6th Year.

Students can get an indication of their English level by completing our online assessment test on our website: <http://www.atlaslanguageschool.com/online-placement-test/>

Do the fees include accommodation during school breaks?

The fees include full-board accommodation during mid-term breaks (one week usually in October and one week usually in February). The fees do not include accommodation during the 2-week Christmas break. Accommodation over Christmas can be booked at an additional cost on request. Please inform us as soon as possible if you wish to stay in Ireland during these holidays.

Are airport transfers included in the fees?

The fees include the initial arrival and final departure transfers to and from their accommodation. Any additional required transfers during a students' stay are charged additionally. Public transport is not included in the fees.

Can students purchase insurance through Atlas?

Yes, students can buy insurance through us. Visa required students must have private medical insurance (in English) which they can either organise themselves or book through us at an extra cost of €400 per year. For Non visa required students we strongly recommend that all students take out private medical/ travel insurance. All European students should bring their European Health Insurance Card.

Is the certification of an Irish high school (the Leaving Certificate) recognised in other countries?

Yes, the Leaving Certificate qualification is internationally recognised for all degree programmes at Irish, UK, US and European universities.

Should students bring their own money?

Yes, students have to bring their own money. We recommend that parents get a debit card for their child which they can deposit funds on a weekly or monthly basis. We do not hand cash to students under any circumstances.

How do students get their school uniforms and books?

Students don't have to do anything. We will purchase the uniform and books for our high school students before arrival; we just need the student's measurements (Height, Chest, Waist and Inside leg). The uniform and books will be paid from the Expenses Fund or invoiced additionally.

Are there any extra costs involved for the Transition Year (TY) (4th Year)?

Yes, students have to bring their own money. We recommend that parents get a debit card for their child which they can deposit funds on a weekly or monthly basis.
